the shipcraft series provides in depth information about building and modifying model kits of famous warships previously these have generally covered plastic and resin models of 20th century subjects but this volume is a radical departure not only a period sailing ship but one for which kits are available in many different materials and scales this requires some changes to the standard approach but the main features of the series remain constant victory nelson s flagship at trafalgar is probably the world s most famous sailing warship and survives in restored form at portsmouth with lavish illustration this book takes the modeller through a brief history of the ship highlighting differences in appearance over her

long career detailed color profiles reveal decorative detail and changes to paint schemes over 250 years and outline some of the debatable features experts still disagree about the modelling section reviews the strengths and weaknesses of available kits lists commercial accessory sets for super detailing and provides hints on modifying and improving the basic kit including the complexities of rigging this is followed by an extensive photographic gallery of selected high quality models in a variety of scales and coverage concludes with a section on research references books monographs large scale plans and relevant websites following the pattern of the series this book provides an unparalleled level of visual information paint schemes models line drawings and photographs and is simply the best reference for anyone setting out to model this imposing three decker

includes part 1 number 1 2 books and pamphlets including serials and contributions to periodicals january december

includes a detailed synopsis of each operetta a cast of characters biographies of william gilbert arthur sullivan and richard d oyle carte and actual music and lyrics from famous songs

this book poses the question when does a president lose the moral authority to lead is it when he steals an election and usurps the presidential mandate the people had given his primary challenger is it when he orchestrates sectarian inspired massacre of his people and turns his country into the biggest human abattoir on the face of the earth is it when he bares his fangs on peaceful protesting citizens but turns a blind eye on terrorists who butcher defenseless citizens is it when he creates industrial scale poverty in proportions that makes his country the world s largest concentration camp of people living in extreme poverty this book provides an overview of nigeria s history to the present day with specific focus on the current government led by president muhammadu buhari it catalogs the unmitigated failures and the endless buffoonery that have become the hallmark of buhari s government since 2015 as a political philosophy buharism is the art and science of incompetency it means failure and there is nothing rational about it but as nigeria dithers on a precipice buharism nigeria s death knell offers a corrective measure to rescue the country rebellion against failure and incompetence is an act of honor this honor is intrinsic to the rebel the way treachery and sycophancy are intrinsic to those who seek to entrench and sustain the status quo weaving between logical analysis and personal experience the author draws upon a series of insights to offer perspective on why nigerians are morally obligated to rebel against the leadership of an illegitimate president it s time to kindle a fire that will make nigerians understand that it would be a monumental mistake to sit idly by a calendar and countdown the days to may 29 2023 nigeria is at risk of an imminent collapse to sacrifice president buhari and his government is national interest premised on realism
