those around you not you the visionary will determine your success who's holding your ladder reminds us that the height of any visionary leader and the fulfillment of the vision are contingent on who's holding your ladder without a ladder holder you can climb only to a certain level with a ladder holder you can go higher as the

vision increases the need for another type of ladder holder increases essential and critical qualities all first rate ladder holders must posess leaders and managers both have critical roles however knowing the difference will lead to proper people placement how to turn ladder holders into ladder climbers

who s holding your ladder reminds us that the height of any visionary leader and the fulfillment of the vision are contingent on the other leadersholding his or her ladder

the who s holding your ladder companion study guide is designed to help leaders recognize the vital role of those supporting their vision and equip them to build a strong team inspired by the insights from the book this guide emphasizes that leadership success is not determined by the visionary alone but by the strength and dedication of the people holding the ladder without the right support a leader s growth and impact will be limited through engaging questions this study guide helps leaders evaluate their current support system and develop strategies for cultivating high quality ladder holders each chapter explores key principles for identifying and empowering the right people leaders will learn how to assess the qualities of effective ladder holders distinguish between leaders and managers for optimal team placement and recognize when their growing vision requires a different level of support whether used for personal reflection or in leadership development groups this study guide provides a roadmap for maximizing leadership potential through collaboration and strategic people placement with the right support leaders can climb higher achieve greater impact and inspire others to do the same

it s not over yet a book by dr samarth joseph that will restore your faith in god and his role in your life all over again this is an autobiography that takes a reader on a journey a three book series starting with the author s memoir and motivational copy which is this book the book collection is an inspiration to the world at large living in a place where people are in despair unable to feel hope and the positive energy it gives in this situation god wants you to know he is in control of your life therefore it cannot be over yet he has the last word

the prince who did not want to be king is a fairy tale about a king who wants to retire but cant decide which of his four sons should succeed him the three oldest boys initiate projects intended to impress their father but the youngest son just wants to stay out of trouble and not do anything to bring shame upon his family or country instead he wants to do something each day to make his country a better place to live and raise a family the story is rich with thieves and villains a dragon a wise old man a king knights princes and a horse that seems to talk adults should read this with children aged 8 to 12 and discuss it with them to develop a biblical world view

divine emblems as the title implies is a study of how people places and events in the old testament represent the trinity and symbolize various facets of the christian life this is vintage simpson no one is better at seeing christ and the holy spirit in the scriptures someone has said that simpson saw christ on every page

dive into a masterclass that reveals the shifts you should make over the course of your career to keep innovating improving and influencing others to the highest levels of success in today's unprecedented business climate change is so rapid today that leaders must do more than stay the course to be successful if they aren't nimble and ready to adapt they won't survive the key is to learn how to leadershift john c maxwell helps leaders gain the ability and willingness to make leadership changes that will positively enhance their organizational and personal growth he does this by sharing the eleven shifts he made over the course of his long successful leadership career in leadershift maxwell shares some of the leadershifts including adaptive shift from plan a to option a the production shift from ladder climbing to ladder building the influence shift from positional authority to moral authority and more leadershift gives specific guidance to readers about how to make these shifts in their own lives each one requires them to change the way they think act and ultimately lead so they can be successful in a world that never remains the same to go forward we need to move faster and as leaders we need to stay ahead we need to see more than others and we need to see before others

no matter how far you have fallen you can rebuild and you will rebuild starting today want to rebuild your life a life that you have been dreaming about a life that can bring you success and happiness if you are tired of waking up to the same old life because you know you were created for more read this book and follow the life changing principles and you'll rebuild a new you rebuild gives you seven steps that will help you become an overcomer because curtis rice has experienced and overcame a past that will make you say no way he is able to share his life changing principles that actually work read this book and follow the seven simple steps and you'll see a new you anyone can rebuild all it takes is motivation to start and determination to finish want to rebuild your life want to see a new you then follow the seven steps a new you will happen
